

We firmly believe that the best measure of a person is not how much they accumulate, but rather how much they give back. In this context, we encourage everyone in the Avisen family to be involved in their community, to try to make a difference, and maintain a selfless attitude in our business and within the community

As active members of our community, our employees support many nonprofit groups that help our clients, consumers, workers, and families. These groups include the [American Cancer Society](#), [American Lung Association](#)

, [Avon Walk for Breast Cancer](#)

, [Breathe California of Sacramento-Emigrant Trails](#)

, [Leukemia & Lymphoma Society](#)

, [St. John's Shelter Program for Woman and Children](#)

, and the

[Sacramento Food Bank](#)

.

□

### **2013 Leukemia & Lymphoma Society (LLS) Corporate Sponsor**

Avisen Securities was proud to be a corporate sponsor of the [Leukemia & Lymphoma Society Light the Night Walk](#).

The 2013 event was held on October 26th at Raley Field in Sacramento. Along with being a fireworks sponsor at the event, Avisen hosted an art and wine auction that raised over \$2,000

and a clothing drive that brought in over \$300 to benefit the Leukemia & Lymphoma Society (LLS). LLS Sacramento raised over \$200,000 and 92% of the funds raised goes directly to lifesaving research and support for people battling cancer in our community.

The fundraising never stops!!! We hope that you will join our cause to end cancer and look forward to seeing you at one of our events. If you are interested in donating online, please visit <http://pages.lightthenight.org/sac/Sacra13/AvisenSecurities>
